

Designed for an array of interior applications, **SkyTrim™** is a luminous decorative accent that can be mounted directly on the light guide of a SkyRidge™ fixture. A co-extruded high-grade optical acrylic strip, less than 0.5" deep, the SkyTrim provides a simple means of applying color to an existing or new fixture. It is ideal for spaces where color is necessary to provide visual cues, emphasize brand identity, directional awareness or simply as an artistic expression. The result is a unique and easy accessory for addressing a wealth of application needs with seven color choices and hundreds more with custom color options.

Features and Benefits

- Flexible use of color for identification, awareness or artistic purpose in space
- Seven standard color choices with custom color options

- Offered in both 2' and 4' lengths
- Factory or field installable
- Simple installation; no hardware or tools required
- High-grade optical acrylic
- Minimal 0.45" depth

Suggested Applications

- Healthcare: wayfinding, paths of egress
- Education: school colors, space identification, pathways
- Sport Venues: team colors, zone/activity identification
- Retail: highlight merchandise, traffic influencer, customer checkout/service area identification
- Corporate Facilities: department identifiers, campus coding, branding, awareness
- Hospitality / Event: color coordination by activity, customer colors or holidays

SkyTrim Field Installation Kits
